End of Year 2017-2018

Year 10 and Year 11 pupils are working well towards their targeted outcomes. Progress is measured by use of learning ladders in each area and points towards the outcomes given for each accreditation. Year 11 pupils have sat their Functional Skills exams and results have been received. Out of the 6 pupils not meeting targets in one subject area, 4 are Year 11 and 3 of these pupils did not achieve Level 2 but did achieve Level 1 which is a tremendous achievement.

Reading:

20% of our KS4 readers not yet at a functionally literate reading age of at least 9 years, this shows an improvement on the same figure from end of term 2 when it was 32% and end of term 4 when it was 29%. Overall a much improved picture for reading.

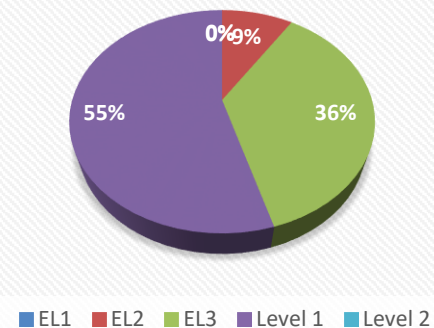

Of this 20% (5 pupils), 2 pupils are Year 11 and have achieved EL3 English which indicates a functionally literate Reading Age beyond what the test has calculated.
